Action Taken Report of Institution

The Institute obtained Feedback from the stakeholders- students, teachers, alumni, Head masters of practice teaching school, employers through offline mode. Feedback analysis report is discussed in faculty meeting

Feedback Analysis report of students on curriculum action taken report.

Feedback form is given to student at the end of every Year of this course. We ask 10 questions for semester I, 9 question for semester II, 11 question for semester III, and 11 question for semester IV to fill up. after analysis the data following responses are received.

SEMESER I –

- Learners are satisfied with the practical performance and evaluation system.
- They recognized the value of EPC practical.
- It develops sufficient competence.
- Additionally, they noted how beneficial demonstration workshops are and how making teaching materials fosters creativity.

SEMSEER II-

- Trainees are pleased with the use of workshop on models of teaching.
- Additionally, they said that the EPC practical's allow them to develop their personality.

Suggestions

- They felt that the theory paper's contents needed to be enhanced.

SEMSEER III-

- According to the trainees, this curriculum helped them to establish a constructivist mindset.
- Additionally, they stated how curriculums aid in the development of management, analytical, and guiding skills.
- Additionally, they noted that teachers were making use of ICT and relevant instructional aids in the classroom.

Suggestions

- They demanded additional options for professional development during internships.

SEMESER IV

- Despite the fact that there are less possibilities for classroom learning in this curriculum,
- trainees in semester IV reported that their overall experience with it has been outstanding.

Suggestions

- More guest lectures, conferences, workshops, and student competitions will be scheduled

Action taken on Feedback report of student on curriculum

- Suggestions of the students are accepted
- It has been decided to improve internships in order to help students to develop their professional skills
- The institute has made the decision to plan more guest lectures, conferences and workshops for the trainees.
