Stakeholders Feedback Report

Feedback – Alumni

Year 2020-21

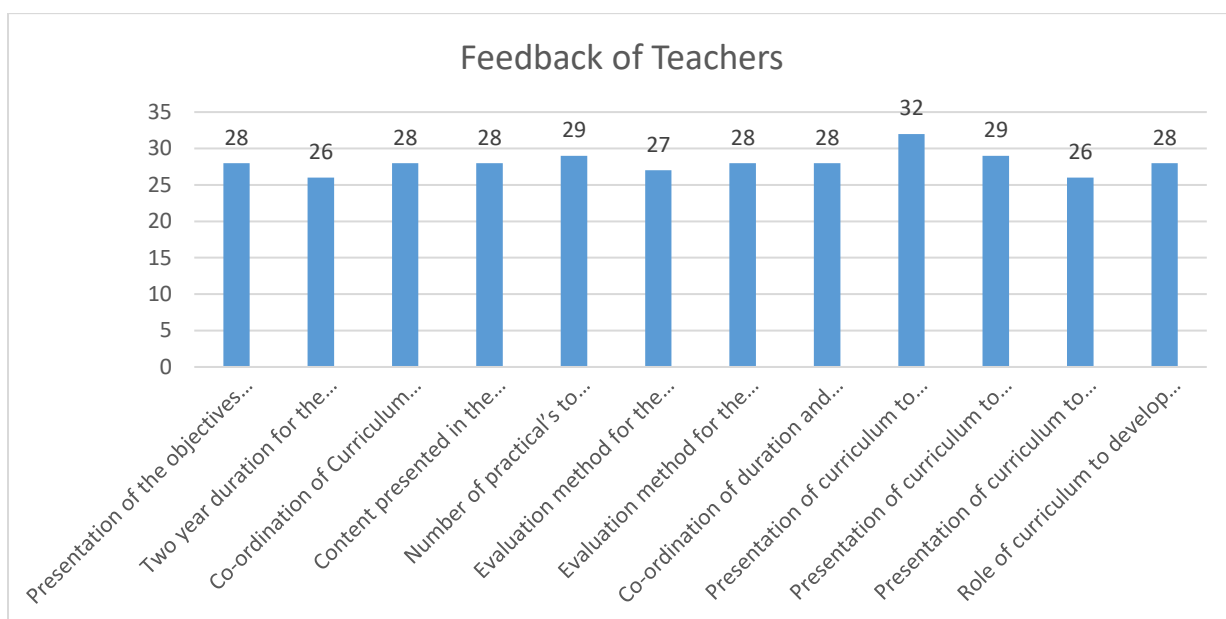

Alumni feedback report stated that the condition of benefit of research skill in actual school life is useful for them.

They think that a curriculum is not enough for the managerial skills within them & also they thought that internship program does not develop professional quality within them

Feedback - Teachers

Year 2020-21

Teacher stated that number of practical's to develop teaching skill is quite enough and presentation of Curriculum is also effective to develop effective teacher. They are not satisfied about the duration of two year B.Ed.

Feedback - Employers /Management

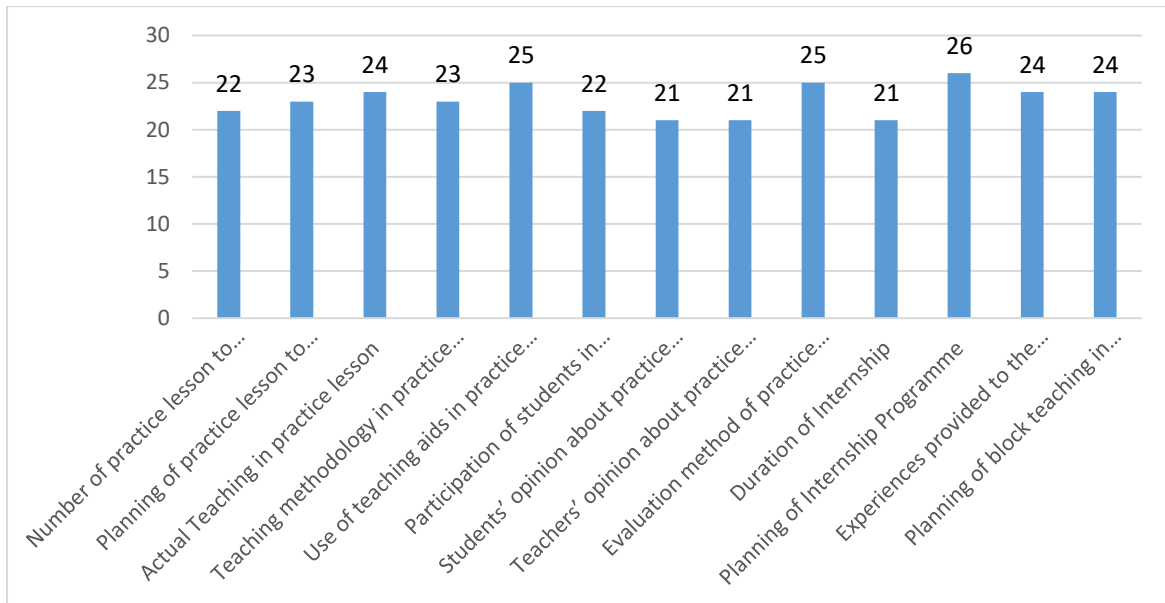

Year 2020-21

According to employers, sensitivity to other issues of environment and population is developed by the curriculum but the curriculum cannot develop capabilities for creative thought.

Feedback -Headmaster

Year 2020-21

According to the headmaster, they thought that planning the internship program was good. They also think that the duration of the internship program is not satisfactory. Student opinion about practice lesson is not satisfactory.
